To Whom It May Concern

Re: Soul Sacrifice

Soul Sacrifice have performed regularly at The Flying Saucer Club over the last 2.5 years. The band work hard to promote their gigs and are consistent crowd pullers in the room. They always act in a highly professional manner when dealing with our staff and are punctual when it comes to sound check and performance times. They are a crowd favourite at The Saucer and I highly recommend them as a well organised act to work with.

Yours Sincerely
